Bateman Primary School - Term 2

The Bateman P&C meets twice per term to discuss activities, events, and services for the school and its annual programs. Our primary focus ranges from encouraging parental involvement and engagement to serving as a platform for discussing school matters and supporting the school through fundraising efforts, all aimed at enhancing our children's well-being.

Save the date: Friday, May 24 marks P&C Day! #PANDCDAYWA. This day is dedicated to recognizing and appreciating the invaluable efforts and positivity that P&Cs bring to school communities. I would like to take the opportunity to extend my heartfelt gratitude to our dedicated P&C volunteers for all that they do!

# Grounds & Building

---

Volunteers Wanted! We are searching for Grounds & Building legends to assist in school grounds, kitchen/garden activities and maintenance duties. School grounds are crucial for creating a conducive learning environment for our children. If you have some ideas in making our school look great or keen on doing some gardening therapy, have a chat with one of the P&Cs or email [batemanpandc@gmail.com](mailto:batemanpandc@gmail.com)

PS: We are always looking for donations to support the care of our beloved chickens in the Kitchen Garden! These chooks are wonderful companions on the school grounds, and students benefit by learning about biology, compassionate animal care, food science, and sustainable living practices.

## Lunch Orders

---

Lunch orders from Bull Creek Canteen are open for Bateman Primary Staff and Students on Wednesdays, while orders from Loca Vora are available on Fridays. For details on how to place orders with these vendors, visit the [Lunch Order Information page](#) on the [Bateman Primary School website](#).

A shoutout to parent volunteers who tirelessly help with the distribution of our lunch orders week in and out! For questions with regards to lunch order, please reach out to Kellie at [kelliefearnall@gmail.com](mailto:kelliefearnall@gmail.com)
